Good afternoon all, attached please see a registration form for a Touch the Truck event being held on Sunday May 4th at the Peter B Coeymans School for the PBC Elementary School PTO, as part of their food truck and Family Fun Day. I would like for our Highway Department to take part in this event as we have many children from our Town that attend the Peter B Coeymans Elementary School. We currently do one of these at the Cornell Hook and Ladder annual Health and Safety Day, however with this one being held in the Town of Coeymans, I felt it right to notify the board first. You will see on the second page that we would be required to present a certificate of Insurance for the one day event.

Should you have any questions or concerns please feel free to reach out. I will be on site for the duration of the event, and at no time will our truck be unsupervised.

Thanks

Subject: Re: Paving Bids

Good morning all, after reviewing the paving bids, i would recommend that the bid be awarded to Callanan Industries for the sum of \$438,949.35. They were not the lowest overall bidder , but they were the lowest responsible bidder. The Precision Roads bid, did not include the amount of tonnage to be used, and the Luzzi Brothers bid included tonnage that was far lower than others, which leads me to believe that the job would not be done to the quality to handle daily traffic, and cause premature failure.

Thanks
Alan
